

# RASU COMMUNITY HEALTH AIDE CONFERENCE

Feb. 19-22

8 a.m. – 5 p.m.

Nuka Learning and Wellness Center

Southcentral Foundation's Rural Anchorage Service Unit is providing a clinical update for certified community health aides. The goal is for CHAs to gain up-to-date clinical knowledge and skills for the customer-owners they serve; establish relationships amongst each other and the providers on campus; and obtain continuing education credits. Early enrollment registration, prior to Feb. 1, is \$100; after that, registration will be \$150. For questions or to register, contact Miranda Petruska, (907) 729-4245 or [mpetruska@southcentralfoundation.com](mailto:mpetruska@southcentralfoundation.com)
