2022	YKHC

\*The CHAPCB voted in October 2014 to extend the certification period of the NSHC and YKHC Training Centers by one year to accommodate the timely review of the TCC Training Center in 2015. TCC review was completed in early 2016. NSHC and YKHC will then resume a 5-year review schedule. TCC will have their second review in 2020 and then be on a 5-year review schedule.
