Post-Operative Management of Skin Grafts
Educational offering for RNs and CNAs

June 13, 2017
5-6 p.m. and 7-8 p.m.
ANMC Conference Room 2
Instructor: Dr. Elisha Brownson

Course Objectives:
• Discuss the anatomy of burn wounds and skin grafting
• Briefly describe operative steps and goals for skin grafting
• Explore options for post-operative wound care for skin grafts
• Practice negative pressure wound therapy application and troubleshooting of equipment

To sign up for the course, ANMC employees can register through Healthstream. Non-ANMC employees can register at sign in.

ANTHC is accredited by the Washington State Medical Association to provide continuing medical education for physicians. ANTHC designates this provider-directed activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ANTHC is approved as a provider of continuing nursing education by the Montana Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation. ANTHC designates this activity as meeting the criteria for one nursing contact hour credit for each hour of participation up to a maximum of 1.0 hour(s).
