

Samantha Sparks, DHAT

Sitka

Southeast Alaska Regional Health Consortium

RISING STAR

Samantha is being recognized for being a compassionate and competent DHAT, and for her involvement in her community through dental outreach programs. Some notable achievements include her participation in dental outreach to the MEHS, and Raven's Way. She has taken on additional duties as DA Training Site Coordinator, and the DA supervisor. She consistently takes on additional duties to improve workflow efficiencies in her clinic.

Samantha is an enthusiastic and motivated individual who in less than 5 years as a DHAT, has made a significant impact on her dental team, patients, and community!

OUTSTANDING ACCOMPLISHMENT

Janette Ulak, DHAT

Scammon Bay

Yukon Kuskokwim Health Corporation

Janette is being recognized for her outstanding accomplishment of bringing permanent dental services to her home community of Scammon Bay.

She established the first ever permanent full-time staffed dental clinic in her community. The path was not easy, and she was faced with many struggles. There were times when she found herself with patients on the schedule and no dental assistant to help. When faced with obstacles like this, she would power through and overcome them. Because of her efforts and determination, Scammon Bay has a functioning dental clinic that is thriving!

Matthew Mulhern, BHA Trainee

Anchorage

ANTHC Behavioral Health Wellness Clinic

ROOKIE OF THE YEAR

From the beginning, Matthew has been eager to learn more about the BHA role, transferring information from his previous experiences, and motivating the team with his encouraging attitude. He continues to patiently and enthusiastically gather new information, cross-train his colleagues, present suggestions for improvements, and contribute to the on-going development of our operating procedures.

Eydie Flygare, BHA-I

*Anchorage
Chugachmiut*

RISING STAR

Eydie Flygare was asked to develop a two-week sobriety camp within our region and the success of camp is amazing. People got sober and stayed sober. Graduates came back to subsequent camps by choice - eventually as mentors. People from the community came to camp to share their recovery stories. Other staff in the Behavioral Health department were asked to present on topics and to take part when they came to camp. Then, the pandemic hit. Plans were made for virtual camp. It was remarkably successful. Eydie just finished directing two weeks of virtual camp with eleven participants.

Doreen Phillips, BHA-III

Akhiok

Kodiak Area Native Association

SHINING STAR

She is emerging as a leader in our BHA group and assists newer BHAs in their professional development as well as our departmental processes.

Doreen has fearlessly taken on client care; she carries a caseload and also has been instrumental in starting and maintaining our village substance use disorder treatment group.

Doreen has worked diligently for her certification and this year attained her BHA-III status. Her goals go beyond that, however. She is currently enrolled in her Bachelor of Social Work program and intends to see her education through.

Ulyius "U.L." Johnson, BHA-III

*Point Hope
Maniilaq Association*

SUPER STAR

He has personally developed himself as a person of integrity, respect, caring, hard work, humility and a very spiritual individual. His focus is to serve the people, family and his community of Point Hope to heal themselves for whatever their illness is no matter what the obstacles are.

UL is well known in his community for being empathetic, caring and responsive.

OUTSTANDING SUPERVISOR

Ann is the fourth supervisor that I've had, since starting as a BHA in training. She is the first one to sit and show me how to do a progress note. She's the first one to come out and take part in a wellness group. Ann is the first one to offer help with researching clients needs with me.

Ann Applebee, Clinical Supervisor

Wasilla

Southcentral Foundation

RISING STAR

Dannielle Malchoff, CHA-II

*Port Graham
Chugachmiut*

She has shown dedication in becoming an exceptional health aide over the past year completing Session I and II through ANTHC's Distance Learning Network while also completing the EMT-1 bridge course and assisting fellow CHA/Ps with many emergencies after clinic hours.

Her community members specifically request to see her reflecting her excellent bedside manner and compassion as a patient advocate.

Her statement embodies her positivity, courage and relentless work ethic, "Sure I'm a little anxious, but this is exactly what I have been working so hard to train for over the past year!"

OUTSTANDING ACCOMPLISHMENTS

**Amanda Bybee, CHP &
Tanya Salmon, CHA-II**

*Igiugig
Southcentral Foundation*

Created and implemented a community wellness challenge in partnership with SCF, Igiugig Village Council and other local businesses.

Makuryut (no-see-ums, school mascot) Minute Madness is a personal health challenge to focus on a person's mind, body and soul in a positive environment with supportive peers.

They accomplished this by promoting physical activity and healthy activities across all age groups utilizing a Facebook group for encouragement and ideas. Participants stopped by the clinic for weekly wellness checks. The more participation, the more chances to win prizes.
