

ALASKA COMMUNITY HEALTH AIDE PROGRAM CERTIFICATION BOARD

Alternative Training, Practicum, and Experience - Behavioral Health Aide III

Applicant Name (First and Last): _____

Notification of Random Audits: Applicants are subject to a random mandatory audit of supporting documentation. If you are selected for an audit, you will be notified in writing and given 30 days to submit documentation supporting the completion of the requirements for this application. Failure to comply with an audit will lead to denial of the application and/or revocation of the CHAPCB certification.

Examples of supporting documentation are: course transcripts, course certificates of completion, log of practicum activities, log of work experience, etc.

It is the applicant's responsibility to maintain their records for the duration of the two-year certification term.

BHA III ALTERNATIVE TRAINING

In lieu of completing the specialized BHA III training program and work experience listed in S&P B2.20.100(a)-(c) and B2.20.300(d), the applicant may satisfy the training and work experience requirements for certification as a BHA III by successfully completing one of the alternative courses of study identified below.

Instructions: Select one option. For your alternative training course of study, provide the degree major and the date when the requirements were achieved.

	Option 1: Associate degree	Completion Date
	AA/AS degree in:	
	2,000 hours providing village-based behavioral health services under the direct, indirect, or general supervision of a licensed behavioral health clinician or behavioral health professional.	
	Option 2: Bachelor's degree	Completion Date
	BA/BS degree in:	
	500 hours providing village-based behavioral health services under the direct, indirect, or general supervision of a licensed behavioral health clinician or behavioral health professional.	
	Option 3: Master's degree	Completion Date
	MA/MS degree in:	

NOTE: A degree must be from an accredited college or university with a major in human services, addictions and chemical dependency, behavioral health, psychology, social work, counseling, marriage and family therapy, or nursing with a behavioral health specialty, or a related field.

BHA III COURSE REQUIREMENTS
